

**2025 AVON LIONS CLUB  
WILLIAM H. BOMMER MEMORIAL SCHOLARSHIP**

The scholarship was developed by the members of Avon Lions Club to honor and remember the last charter member of the club for his selfless devotion to Lion-ism and the Avon community. Bill Bommer, Sr. was a strong and active member of the Avon Lions Club for over fifty (50) years and an outspoken believer in getting involved in making Avon a better place to live for all. We honor his memory and efforts today with the Avon Lions Club - William H. Bommer Memorial Scholarship.

*Lion-ism is a dedication to the highest of humanitarian service: a fellowship of men and women who have committed themselves to aiding those in need through whatever means at their disposal. Lion-ism is a faith that people of different nationalities and creeds, separated by borders, oceans and old distrusts, can join in helping to bring about a better world. It is indeed a way life. Lion-ism is a set of principles by which one lives: a guideline for community service, ethical business responsibilities and inter-personal relations.*
